Re'em Wedding Banquet

- We draw inspiration from southern Victorian produce and the cuisines of Helen and Joey's birth places in China. Fusing elements of the disparate and diverse regional cuisines of Chengdu and Zhe Jiang with locally sourced seasonal produce, we offer a banquet style of dining for sharing.
- Of course, alternative plating and service styles can be discussed. Our ambition is to please all.
- Our development of unique dishes and new flavour combinations is very much a journey we are happy to share with you to create the ideal service for you and your guests,
